Channel Update

January 2018

Thank you!

-500 subscriber milestone.

-A sincere and heartfelt thank you to my subscribers!

Brief Channel Update

-Natural language processing videos

-Twitter API and Python videos

-Data structures and Algorithms in Python (Recursion, Linked Lists, etc.)

YouTube Partner Program Updates

- YouTube has changed their partnership guidelines.
- If you find the content here valuable and are not already, please consider subscribing.

Live Streaming Ideas

- Once 1000 subscriptions, the ability to livestream becomes active.
- Solve programming challenges live (i.e. HackerRank)
- Play video games and talk code, Q&A, etc?
- Any other ideas welcome!
